Traversal in a Binary Tree!

① Preorder Traversal

Root → Left subtree → Right subtree

② Postorder Traversal

Left subtree → Right subtree → Root

③ In order Traversal

Left subtree → root → Right subtree

Traversal in a Binary Tree!

① Preorder Traversal

Root \rightarrow Left subtree \rightarrow Right Subtree

② Postorder Traversal

Left subtree \rightarrow Right subtree \rightarrow Root

③ In order Traversal

Left subtree \rightarrow root \rightarrow Right subtree
